## Welcome to our Weekend Courses!

Selina and I have been teaching on our weekend guitar courses for longer than I care to remember and have enjoyed every one.

Over the weekend we aim to help you improve as a musician by looking at where you are currently and then helping you appreciate an interesting and more exciting musical future.

Technical and Musical training does not have to be dull and boring it is actually very exciting especially when you can look forward and see where you wish to go and more importantly how to get there.

Our weekends allow you time to enjoy learning in a friendly group with people who enjoy the guitar as much as you do.

Every weekend has a theme generally a topic we have been working on over the year. We are also very happy to cover subjects requested by students, all we ask is you let us know when applying for a weekend.

In addition one part of an ensemble piece will be sent to you to practice then during the weekend two sessions will consist of playing as a group otherwise known as Guitar Ensemble. This part of the weekend is just for fun and is enjoyed by all.

Whether your interest is in performance, playing for personal pleasure or passing exams everything you learn and experience will assist you in the enjoyment of music.

## Billesley Manor 2023

This will be our 25th year! Exciting.

Near to Stratford-upon-Avon, the Manor has a claim to fame as once being visited by William Shakespeare.

As you will see from the image below we have been allocated our own building. Everything except for meals and evening relaxing takes place here with sleeping accommodation on the ground floor and the music room on the upper floor along with tea/coffee etc.

Billesley Manor itself is a very short walk from our building where meals that help you to relax and enjoy life will be served.

A licensed bar is available for the after class hours giving you time to get to know your fellow guitarists.

Should you have a partner who may wish to join you but not be a part of the course, this can also be accommodated, please ask for details.
